

AUP applies to all WebDios Technologies. clients.

Policies apply automatically to all WebDios Technologies. clients upon subscription to the Services including subscription through a third party or any commercial partner.

Customer agrees to use the Services only for lawful purposes, in compliance with all applicable law.

Specific activities that are prohibited include, but are not limited to :

- Threatening harm to persons or property or otherwise harassing behavior.
- Violating Indian Or Candian export control laws for software or technical information.
- Misrepresenting or fraudulently representing products/services
- Transmission, distribution or storage of any material in violation of any applicable law or regulation.
- Transmission, distribution or storage of any material protected by copyright, trademark, trade secret or other intellectual property right without proper authorization, and material that is obscene, defamatory, an invasion of privacy or constitutes an illegal threat, or is otherwise illegal.
- Facilitating, aiding, or encouraging any of the above activities, whether using WebDios Technologies.'s network or service by itself or via a third party's network or service.
- Interference with a third party's use of WebDios Technologies.'s network or service, or ability to connect to the Internet or provide services to Internet users.
- Manage a proxy server

Email

WebDios Technologies has a STRONG anti-spam policy and applies it. Spammers are NOT welcomed. This includes spamming through open proxy servers or any other kind of unsolicited email advertising. If a customer is found to be in violation of our SPAM policy, WebDios Technologies. may, at its sole discretion, restrict, suspend or terminate customer's account. Further, WebDios Technologies reserves the right to pursue civil remedies for any costs associated with the investigation of a substantiated policy violation. WebDios Technologies will notify law enforcement officials if the violation is believed to be a criminal offense. The customer acknowledges that he is responsible for any and all SPAM related actions which come from their account.

- Sending unsolicited email messages, including, without limitation, commercial advertising and informational announcements, is explicitly prohibited even if the lists are said to be opt-in.
- Customer will not use another site's mail server to relay mail without the express permission of the site.
- It is strictly forbidden to send out unsolicited email from any other network that advertises, promotes or in any way points to a location inside WebDios Technologies. network.

IRC networks

It is absolutely forbidden to host an IRC server that is part of or connected to another IRC network or server. Servers found to be connecting to or part of these networks will be immediately removed from our network without notice. The server will not be reconnected to the network until such time that you agree to completely remove any and all traces of the irc server, and agree to let us have access to your server to confirm that the content has been completely removed. Any server guilty of a second violation will result in immediate account termination.

Adult content

iWeb MyServerNow and iWeb InstantColo

Legal adult content must be published in accordance of any applicable law or regulation. WebDios Technologies reserves the right to suspend any account publishing offending content.

iWeb Shared Hosting

It is strictly forbidden to publish adult content on shared hosting accounts. The restriction applies, without limitation, to images and videos.

System and Network Security

Customer is prohibited from utilizing WebDios Technologies. services to compromise the security or tamper with system resources or accounts on computers at the Premises or at any third party site.

Specific activities that are prohibited include, but are not limited to :

- Threatening harm to persons or property or otherwise harassing behavior.
- Use or distribution of tools designed for compromising security.
- Unauthorized access to or use of data, systems or networks, including any attempt to probe, scan or test the vulnerability of a system or network or to breach security or authentication measures without express authorization of the owner of the system or network.
- Unauthorized monitoring of data or traffic on any network or system without express authorization of the owner of the system or network.
- Deliberate attempts to overload a system and broadcast attacks.
- Forging of any TCP-IP packet header or any part of the header information in an email or a newsgroup posting.
- Intentionally or negligently transmitting files containing a computer virus or corrupted data.

Resource usage

iWeb Shared Hosting

On shared hosting accounts, it is strictly forbidden, to make your account resources available

(whether for free or pay) to the general public. Without limitation, this applies to usage of an account to provide public online services like statistics, image hosting, free web hosting or any other similar service. At anytime, all shared hosting accounts must use an acceptable level of resources and stay below 2% of the total system resources.

Violation

WebDios Technologies ., in its sole discretion, will determine what action will be taken in response to a violation on a case-by-case basis. Violation of this AUP could also subject Customer to criminal or civil liability. WebDios Technologies. may block access at the router level to the Customer's Equipment involved. If WebDios Technologies. believes, in its sole discretion, that a violation of this AUP has occurred, such action may also include, but is not limited to, temporary or permanent blocking of access to Customer's Equipment or data, and the suspension or termination of Customer's services under this Agreement. WebDios Technologies. may involve and will also fully cooperate with law enforcement authorities in investigating suspected lawbreakers. WebDios Technologies. and MyServerNow have no obligation to provide warnings under any circumstances and can terminate the account without prior notice if the Customer violates this policy.

Rights reserve

WebDios Technologies. reserves the right to modify this AUP at any time without notice. Customer is responsible for all use of the Services by itself, its employees, agents, contractors, invitees and customers, whether such use is with or without the consent of Customer.
